- ✓ 3 YEAR BODY AND BUILD WARRANTY
- ✓ 5 YEAR SUSPENSION & CHASSIS WARRANTY
- ✓ GENUINE AUSTRALIAN MILITARY HISTORY

TRACK TRAILER CELEBRATES 20 YEARS OF TVAN. AUSTRALIA'S MOST ICONIC AND ENDURING GENUINE OFF-ROAD CAMPER TRAILER.

In 1999, Track Trailer entered the all new Tvan in the Camper Trailer of the Millennium awards held by the Recreational Vehicle Manufacturers Association and won its class.

The Tvan quickly became the industry benchmark for off-road reliability and functionality and has continued to gain industry recognition. Tvan has won multiple Camper Trailer of Year awards and most recently won the inaugural X-Factor award for the MK5 Tvan.

Since 1999, the Tvan has developed a formidable reputation as the most reliable and refined camper on the market. Track has always listened to customer feedback and sought to reinvent the Tvan with new innovations and unparalleled engineering.

Track has worked hard to uphold its vision, to create "Recreational Vehicles that Inspire" and the Tvan is

right at the heart of the company. For this reason, Track has remained a 100% Australian Family Owned business and has ensured that the vast majority of components are manufactured by other Australian businesses.

To celebrate 20 years of Tvan, Track has created 2 special, limited edition models which reward first time Tvan owners and offer even greater rewards for our existing and past owners.

The first Special Edition is the Tvan INSPIRE which echoes the simplicity of our MK1 (with a few modern touches!), while the Tvan ZENITH showcases our most recent innovations. Both packages represent not only excellent value for money but also a unique look for Tvan which will stand out from the crowd.

THOUSANDS OF CUSTOMERS & MILLIONS OF KILOMETRES TRAVELLED

A WORD FROM OUR DIRECTOR:

20 years can go by in a blink of an eye. It has been a very satisfying adventure, never easy, but always was worth it.

I first came to know Track Trailer in the early 1990s, when I began daydreaming about exploring the outback. Being a Mechanical Engineer I was drawn to Track because it clearly built the best, but far from cheapest, off-road camper on the market.

After making the decision to invest in a Track Trailer my family and I opened maps of Australia and we didn't look back. Thinking about it now, they are probably some of our family's happiest memories.

Fast forward to 1998-9. I found myself looking to improve our family camping further and my wife was keen to move away from canvas over the bed and the soft floor tent of our Track Eagle. I struck up a friendship with the then owner of Track, the late Alan Mawson, and we collaborated in defining the Tvan product, designing its iconic lines and engineering its mission critical features. A process that would redefine the camper trailer market.

By the time we first revealed the Tvan to the market it was late 1999. I had gone from being a customer exploring the market in the early 1990s, to touring around Australia; developing, with Alan, a radical new product and soon after owning a camper trailer business. It was a busy few years.

The Tvan won its first accolade as the "Camper of the Millennium". It was a great honour to share the award and success with my friend Alan. The Tvan went on to win other awards, but more importantly it won the hearts and minds of a generation of adventurous travellers.

Tvan owners ultimately helped us define our company vision that Track would 'Create & Develop RVs that Inspire Adventurers and Enthusiasts' which nowadays is simply "RVs that Inspire".

Those early Tvan's were brilliant in their day, but rather than give competitors the chance to copy or catch up, Track embarked on regular reinvention every few years. This expanded the model range and added equipment, but each successive model pushed the boundaries of our design, materials and manufacturing to new levels.

WALDRON FAMILY - CAPE YORK

TRACK TRAILER EAGLE CAMPER

Most of our competitors create a new model with cosmetic changes to the old model. At Track hardly any of our Track designed parts are carried over to the next model. We are keen to build on our legacy, but also don't want to limit our ambition and risk diminishing the design and performance improvements each model can offer over its predecessor. So, what carries over is DNA, design systems, know-how and experience.

From a distance every Tvan looks similar with its stand out shape and signature window and deck, but up close you will see that the Mk1 and the Mk5 are 20 years apart in design and materials, usability and tow-ability, with new iterations of our famous MC2 Suspension.

I am proud of Track and I am grateful to the team of people who helped us build this business. We have always reinvested in our company, people and products. Our customers understand this and can easily see how their feedback inspires us to make improvements.

We do not know what the future holds. The only thing certain is change and we aspire to lead in the technology and innovation that shapes the future of our industry.

TRACK FAMILY

TRACK FACTORY AND MELBOURNE OUTLET OUTBACK HQ

From humble beginnings we have climbed to heights none of us could have imagined. We have endured and 'made hay' on the economic swings and roundabouts and continuously innovated, inspiring our customers and competitors alike.

I am extremely happy to mark this 20-year milestone simply proclaiming "We made it! We made it 20 years and we made it here, in Australia"

Gerard Waldron
Director & Enthusiast

TVAN

TRACK

RECREATIONAL VEHICLES THAT INSPIRE

The Tvan® MK5 shares the same off-road 'DNA' as the past 20 years of Tvan. The MK5 boasts several huge improvements including a new roof; which increases the cabin space and gives more room above the bed. All models now feature more technology and further refined electrics, 2 kitchen configuration options and loads more storage - but not at the expense of light weight touring.

The principal features of the Tvan® such as the quick erect tent, stored in its own compartment (not on the bed) and the dynamically styled body have all been refined and improved with an emphasis on ease of use and reduced set up times.

All Tvan® models share the same key characteristics such as MC2 Suspension®, hot dipped galvanised chassis, durable riveted steel and aluminium construction of the

cabin and lower body lockers, aluminium rear folding platform (deck), off-road electric brakes and fully articulated off-road coupling etc.

All other specifications, options and accessories are up to you. This process allows you to customise your Tvan® to match your tow vehicle's capabilities, your camping preferences and budget.

The models are identifiable by their highlighted colours; **Yulara (Blue)**, **Tanami (Green)**, **Canning (Red)**, **Murrnaji (Orange)** and now with two new 20th Anniversary models **Inspire (Genesis Blue)** and **Zenith (Future Black)**.

Simply select a Tvan® model that best suits your needs, add options and you are on your way.

STANDARD SPECIFICATION **YULARA**

SUSPENSION, CHASSIS AND BODY:

- Industry leading off-road hot dipped galvanised chassis with genuine military grade MC2 Suspension®
- Proprietary aluminium sandwich panel wall construction
- Significantly increased head height around the bed
- Off-road electric brakes and hand brake
- DO35, 3.5 tonne fully articulated off-road coupling
- Aluminium checker plate drawbar step and spirit level
- Rear fold down deck coated in durable slip resistant finish for safe road side access. Now featuring built in deck legs for convenience
- LED tail lights and side clearance markers
- Rear wood rack
- 108L steel protected food grade tank with grit filters
- 2x side panniers for 20L jerry cans (40L total)

POWER:

- Roof mounted 60W solar panel with regulator
- Voltmeter
- 105Ah deep cycle AGM battery, fused and wired to Anderson plug connection
- Interior Command Console (ICC) fascia with master switch and individual circuit switching
- Merit, cigarette and USB plugs integrated within ICC

OUTDOOR LIVING:

- Sail awning

DRAWBAR:

- Drawbar stone deflectors
- 4x jerry can holders
- Spare wheel mount and tyre / gas bottle cover

KITCHEN:

- Classic Kitchen /stainless steel slide out 2 burner kitchen, including sink and plumbed water, 2x 4kg gas bottles and mounts
- External light over kitchen
- 12V merit plug in kitchen locker

INTERIOR REFINEMENTS:

- Twin roof hatches with blinds and insect screens
- Genuine Australian made Wax Converters canvas (Dynaproofed)
- Easy to use magnetised tent fixings for a quicker and easier set up and pack up
- Magnetised window curtains
- Queen size high density foam mattress
- LED light in tent
- LED reading lights - individually switched with a master override
- Internal tool box and security lock box
- Storage locker lighting
- Insulated wall panels and fabric lined roof

- ✓ AUSTRALIAN OWNED & MADE
- ✓ 3 YEAR BODY AND BUILD WARRANTY
- ✓ 5 YEAR SUSPENSION & CHASSIS WARRANTY
- ✓ GENUINE AUSTRALIAN MILITARY HISTORY
- ✓ MULTI-AWARD WINNING

INSPIRE

TWENTY YEARS
INSPIRATION

The Tvan Inspire highlights and acknowledges the first generations of the Tvan, which broke new ground in performance and amenity by integrating only the necessary and sufficient to achieve a great camping experience.

Another major benefit of these early Tvals was the unrivalled and ultra-light towing weight.

The Inspire is designed to be the perfect step up for a conventional camper trailer owner. This package features a very desirable specification, is light weight and represents outstanding value. Additionally, there is plenty of opportunity to select from the full range of Tvan options to upgrade and customise features to suit all camping styles.

Starting from a Yulara, this Special Edition is packaged with:

- Exclusive Genesis Blue metallic highlights
- Upgraded to 120W rooftop solar panel
- 21A battery charger
- Battery management display upgrade
- 4 x USB sockets alongside bed (2 x each side)
- Roof storage system
- Side wall storage pockets
- Under mattress liner
- 3 speed fan with timer
- Quick Cover™ Swing out awning
- Chrome Proquip Limited Edition 20L Jerry can
- Front boot: Equipped with 2 sealed lockers accessible on the LHS and RHS. The LHS is standard with a sliding fridge drawer, insulation, 12V power and venting. The RH compartment is fitted with a pressure switch activated LED light

HUGE SAVING OF \$1,900 OFF RRP

UNIQUE TO BOTH 20TH EDITIONS:

Unique to these 20th anniversary editions, both models feature our new Glacier White gloss exterior panels with matching fibreglass and an all new limited-edition highlight colour palette.

Each Tvan also features our customised 20th Anniversary branding and subtle physical changes. Most importantly, because Track is celebrating this milestone, each one of these special edition Tvals feature a gift in the form of a packaged discount.

To say thank you to our existing or returning customers, we are offering an additional bonus! - Ask a team member today. These Special Edition models are limited. Once 2019 is up, these celebratory vans will no longer be offered.

20TH ANNIVERSARY COLOURS:

Glacier white is the new and exclusive external colour for the Tvan walls, doors and fibreglass. Genesis Blue metallic is standard on the Inspire and Future Black metallic is standard on the Zenith.

Any "built to order" unit can have its highlight colours changed free of charge to any of our 10 standard colours (except Murrarji Orange). Additionally, there are two new and exclusive metallic Special Edition colours for the 20th Anniversary models: Gold Medal or Hyper Red.

ZENITH

TWENTY YEARS
EXPLORATION

The Tvan Zenith is a statement about the future and showcases some of Track Trailer's most outstanding product innovations. These new innovations introduced on the MK5 Tvan highlight Track's passion for enriching your camping experiences.

This Special Edition Tvan is a great upgrade for existing high-end camper trailer owners, who have refined their likes and wants over several years or for those who want to start at the top. This unit features the most opulent kitchen, premium wheels and class leading load capacity with upgraded GVM suspension and brakes.

This is arguably the most desirable camper trailer on the market.

Starting from a higher specification Canning, this Special Edition is packaged with:

- Exclusive Future Black metallic highlights
- Diesel hot water and heating
- Hatch mounted entry light (above tent door)
- Water system outlet for pressurised water
- 2 additional tent windows and vent under bed
- Ensuite tent (purchased with diesel hot water)
- Chrome Proquip Limited Edition 20L Jerry can
- Alloy wheel upgrade 17x8
- 1.8T suspension upgrade including 12" electric drum brakes
- Bump stops to suit 33" diameter tyres
- Underbody protection mudflaps
- RHS slide out tray with tie down points
- Front boot pantry long slide
- Drawer swap RHS to LHS (for longer fridges)

HUGE SAVING OF \$2,900 OFF RRP

CANVAS UPGRADES:

The Quick Cover™ awning is standard with the 20th Anniversary models and is now sporting a new look with its storage bag finished in Future Black.

REDVISION OPTION:

Released in time for the 20th Anniversary the newly integrated Redvision option gives you more control than ever before.

Redvision along with the Manager 30 effectively replaces all the switches, gauges and power controllers with a simple, state of the art display and mobile app.

All switching of circuits, lights, power outlets, heaters etc. can be easily controlled from your phone at camp or in bed. This setup features a 30A DC to DC, MPPT solar regulator, 350W inverter and 240V battery charger.

If you are looking to take your Tvan to the next level it's a great option to select.
